

CONTENT PROPOSAL

BRETT FOSTER – MDIA 4500

DESIGN ABSTRACT

The design for this portfolio site is intended to be minimalist, with white foreground elements and a mix of black/grey background elements; accompanied by a background graphic similar to the one you see on this document.

HOME PAGE FEATURES

- Hero title
- Small introductory text block
- Stylized links to key sections

ABOUT PAGE FEATURES

- 'Meet the Owner' text section
- History, Accolades, Education section

TECHNICAL SKILLS PAGE FEATURES

- Introductory text section summarizing my technical skills
- Stylized links to children pages

HTML5, CSS3, JAVASCRIPT, PHP PAGE FEATURES

Each of these child pages will include text sections describing relevant experience for each technical skill. Some sections like 'Javascript' and 'PHP' may include code snippets or demonstration features. The main function of these pages is to prove my abilities, so something elegant and confident is what I'm going for.

ADOBE SKILLS PAGE FEATURES

- Introductory text section summarizing my Adobe skills
- Stylized links to children pages
- Showcase of relevant works(?)

PHOTOSHOP, PREMIERE, AUDITION, BRACKETS PAGE FEATURES

Each of these child pages will include text sections describing relevant experience for each Adobe skill. All of these sections may include relevant demonstrations, including video for Premiere, audio for Audition, and possibly an image gallery for Photoshop.

DESIGN SKILLS PAGE FEATURES

- Introductory text sections summarizing my design skills
- Stylized links to children pages

UX/UI DESIGN, SEO, jQuery, RWD PAGE FEATURES

These child pages will also include text sections describing relevant experience for my design skills. The jQuery page may have some demonstration features, and the other pages will have supporting imagery.

PROJECTS PAGE FEATURES

- Stylized blog section for past projects
- Small text section summarizing my projects

GLOBAL FEATURES

- Fixed navigation menu
- Relative footer menu
- jQuery implements
- PHP implements
- Hero section

CONTACT PAGE FEATURES

- Stylized contact form
- Social media links
